Article published on December 6th 2011 | Outdoors

Lovingly Australia is called as â€˜Down Underâ€™ and is the most sought after tourist destinations in the entire world. Itâ€™s a dream destination for any vacationers which easily elate the tourist from all over the globe. This beautiful isolated country is perched between the gorgeous Pacific and Indian Ocean. This is a vast country which is speckled with marvel tourist attractions and marvel sightseeing spots. Truly this beautiful country spoils the minds of the vacationers as this country has spectrum of tourist destination off all flavors. Australia has numerous tourist attractions and sites which are listed to UNESCO World Heritage sites. Numerous attractions here in this country are dotted with big and great and truly they are awe inspiring and worth to visit and explore.

Here are some of the major tourist attractions and destinations which are very beautiful and which are very worth to visit and explore.

Fraser Island

Fraser Island is one of the most beautiful and sought after tourist destination in the entire country. This island on the Queensland is located three and half hour drive from north Brisbane which easily attracts the vacationers in intense number throughout the year. The lush green rainforest, picturesque lakes, awe inspiring sand cliffs much more natural beauty and astounding tourist attractions elate the vacationerâ€™s heart and head. This is the largest sand island in the entire world and truly the whale watching here is out of the world experience. Fraser Island was enlisted to the UNESCO World Heritage Sites in the year 1992 and truly is worth to explore. This destination is not too missed on your tour to Australia.

Sydney Harbor Bridge

It is the most iconic tourist attraction in the beautiful city of Sydney. It too eight years to built this enormous and fascinating bridge and this world famous bridge was opened in year 1932. Located near to the Sydney opera house truly makes this place a more stunning. This Sydney Harbor Bridge serves as the main centre for rail, vehicles and pedestrian traffic functioning between the Sydney central business district and the North Shore. It is also one of the tallest city structures in the city which is very worth to visit and explore. Lovingly this bridge is termed as â€˜Coat hangerâ€™. This beautifu and stunning bridge easily attracts the visitors from all over the globe with any Australia travel package.

Great Barrier Reef

Great Barrier Reef is the largest coral reef in the entire world which stretches over 2000 km along the coast of Queensland. This is also considered as the most well protected marine life in the entire world. This is the largest natural wonders in the entire world and is bliss for the visitors. Great Barrier Reef consists of more than 3000 individual reefs, 880 islands, and several different types of birds, plant and marine life. Swimming with the fish and enjoying the beautiful natural colors of the coral truly offer you mesmerizing memories to relish forever.

Beside these there are numerous tourist attractions and destinations in Australia which truly are very worth to visit and explore. Australia tour packages truly will offer you the most unique and memorable vacation which will be remembered for very long time.
