India is considered as one of the most sought after destination in Asia when it comes to tourist attraction. India is blessed with incredible attractions and interesting places which has been attracting tourists from all over the globe. If you are planning your holiday in India than India tourism takes you along to the most deserving tourism destinations of the country like Karnataka, Bangalore, Goa, Mumbai, Himachal Pradesh, Kashmir, Darjeeling, Manali, Gangtok, Kalimpong, Kerala, Munnar, Taj Mahal, Rajasthan etc. Indian railways play an integral part in Indian tourism as it is the cheap mode of transport in India that offers you a comfortable journey on your trip. Indian railways came into existence in the year 1853 but since then railways have changed a lot. Now the Indian railways have become technologically advanced which enables the travellers to book their railway tickets online. On 3rd August 2002 the system of online railway ticket booking was launched in collaboration with centre for Railway information systems which enabled them to book Indian railway tickets right from the comforts of their houses.

Earlier people you to stand in long queues before the reservation counters but online railway ticket booking have made the procedure really easy for the passengers. Though the queues at the reservation counters are still lengthy because of lack of accessibility of computer yet they in better condition than before. You will be glad to know that about 30-40% of total railway tickets are booked online. Booking of Indian railway tickets through internet is very beneficial to the people who do not have much time to vast the ticket counters. At the time of online railway tickets booking one can select from two types of tickets namely I-tickets and e- tickets. E- Tickets are the electronic tickets offered by the Indian railways. Once confirmed the railway ticket appears o the screen hence one can take a print out and carry it along with an identity proof for the journey. I. tickets are the actual Indian railway tickets that are required to book few days before the commencement of journey and are sent to the address provided in the online form. To avail I- ticket service one has to pay small fees including the courier charges.

So get drenched in the unique feel of Indian railways as now along with comforts and affordability it is very quick, user friendly and easy to book.
