Article published on April 28th 2012 | Outdoors

A Stag night is a memory that you will cherish when you become old and spend your days in oblivion of lifeâ€™s responsibilities and burden. It is as the reunion of boys where you get to spend some quality time with your friends, do some quality activities and spend your day in doing the wildest things that you would never imagined doing. Regardless of the time that is coming after the party this stag night is very special. Before your marriage saga begins it is the only night that you to yourself which has no responsibilities and priorities on you. Therefore, this night needs to be spend in a very special way with all the things that oneâ€™s heart desire.

We all know a common fact that stag parties are usually held before the wedding night and this tradition has been going on from the 5th century. Things have changed and grooms these days look for more fun and entertainment. One single night is not enough for them to have complete fun; they also like to spend some more time, if possible a weekend. Hence, these days, weekend stag parties are more popular than any other forms of stag. Weekend is the time when people do not go to work, hence weekend stag gives the groom and his friends to have fun before the marriage and joining back to work. Make your stag night memorable with a weekend trip and all fun filled and adventurous activities that you boys would prefer. Go for paintballing, water sports, karting and even choose for a stag do. There are so many things that one can do for his stag weekends.

Plan out your activities and then look for a location. This will make your trip and party very easy to arrange and also relaxing. Enjoy the last day of your bachelorhood with pride.
