Article published on December 29th 2011 | Real Estate

SSR Group has just set up its new awesome residential project Aditya Tussar at the heart of Silk Board. It offers the choice between 2 and 3 bedrooms apartment of the size range 1001 sq ft to 1121 sq ft. The starting cost of these lavish apartments is Rs 44, 04,200 onwards. The expected date of possession is July 2012.

The project is providing close connectivity to many strategic places, such as, Electronic City, Whitefield, BTM, Koramangala, and MG Road, which will make your life easier. Further, the project is close to schools, hospitals, and shopping malls, which will keep your family more secure and comfortable. This luxurious project has a lot of fine features such as BBMP approved, excellent landmark, Vaastu compliant, Children, Optimum space utilization.

SRR Group was promoted in the year 2002 by the team of vibrant professionals at Bangalore which is also termed as the Silicon Valley of Asia. In this short duration the organization has carried forwarded innovative and trendsetting projects in the real estate industry.SRR Group is always zealous about its eminence and in offering dream homes to its targeted audiences. SRR Group is highly motivated to save the valuable time and money of its customers by offering them possession in least time with best return on the investments. The organization is renowned for its customer centric activity and post sale customer care. The group is still enthusiastic for providing more than the expectations of its customer.

The developer has build up their faith in such a short period. The reasons of this is that all the projects developed by this group is completed with their promised time of small period with having all ideal locations, very much high quality of construction, modern facilities and one of the great basis of their strength is their reasonable priced project.

The apartments of this opulence project are very nicely designed. These uniquely designed flats are very much fair in price as well as the location of these apartments is ideal. In addition to that management is very good. The architecture of every flat is amazing in addition to the facilities being provided by the project. The floor plan is constructed with contemplation. Aditya Tussar is the one of the most eco-friendly project. So, these are the desirable place to live. The cost of these homes is very reasonable, so it can also be most preferred option for investment. Aditya Tussar is providing excellent homes at affordable price with so many features mentioned above which fulfills all the qualities of intelligent investments of any investor and all the requirements for any resident.

Furthermore, it also has simple booking procedure. The details of booking procedure are as: Identify the apartment of your choice. Arrange site visit for your family or friend in 24 hrs. Pay earnest amount on application as applicable. Booking amount Cheque in the name of Developer. Receive booking confirmation, Receipts from Developer.
