Antriksh Golf view: Dreams come true for everyone by Vishnu Swaroop

Article published on April 4th 2012 | Real Estate

Antriksh Group made a name for them as the crucial factor in the real estate sector. Over the past decade, the success of their various projects shows that they love to enhance the level of their work with every new project. They have recently launched two new projects, titled Antriksh Golf View 2 and Antriksh Golf city in Noida. These projects offer luxurious 2BHK/3BHK/4BHK apartments at very affordable rates. With launching of these projects, the organization is once again looking to show their level of commitment towards work.

Antriksh Golf View 2 comprises of various amenities that make lives luxurious for the residents. There is facility of an exclusive clubhouse with a swimming pool, sauna, steam and Jacuzzi. Moreover, there are courts available for playing badminton, volleyball and various indoor games. There is facility of a multipurpose hall to arrange social gatherings, parties and other events. There is a multi cuisine restaurant where you can enjoy the evening time with special dishes from all over the world. Apart from this, there are various other facilities like two-tier security system, rain water harvesting system and Wi-fi connectivity.

Antriksh Golf view 2 provides luxurious two, three and four bedroom apartments at very affordable rates. The floor in living rooms comprise of vitrified tile and the master bedroom consists of laminated wooden flooring. The bathrooms include anti skid ceramic tile with excellent Chinaware fittings. The kitchen comprise of granite working platform in addition to stainless steel sink. To have a concern about the health area of the residents, there is also the facility of doctors and private clinics. To keep the body healthy and fresh air, there is facility of landscaped park and children play area. The electricity framework consists of copper framework in PVC conduits. To have a world class security level to the residents the township provides 2 tier high tech security with CCTV surveillance.

The location of Antriksh Golf View 2 is Sector 78 that provides a good range of connectivity to various parts of the Delhi/NCR region. It has close proximity to Sector 50 market and Noida city Center Metro Station. Moreover, there is facility of various ATMs, shopping malls, bus stands in nearby areas. It is also very near to Noidaâ€™s upcoming sports city and golf course. The high facility Fortis hospital is also very near from the township, so in this way there is every possible facility available to the residents.

Keeping a view of all these facilities, the projects clearly gained a good reputation amongst the buyers. The green surroundings available with beautiful premises offer a luxurious and comfortable living to the prospective buyers. There is absolutely no requirement to wait for anything else because it is the right time to grab this opportunity and enjoy a peaceful and comfortable life in the city of Noida.
