BBD green city Lucknow: Complete return for your investments by Vishnu Swaroop

Article published on April 13th 2012 | Real Estate

The investors are finding a high range of prospects in the city of Lucknow these days. Due to factor, there are regular developments undergoing in real estate properties in the city. The investment in property in this city is a surety of profitability for everyone, due to which the city is getting high range of projects. There are two recent developments in the city that will surely increase the boom of real estate sector. One of the projects is BBD Green City Lucknow, developed by Viraj Projects Pvt. Ltd and another one is Emaar MGF plots in Lucknow.

BBD Green City Lucknow provides luxurious 2BHK/3BHK/4BHK residential flats and apartments at very convenient rates. The project is getting high range of demand from prospective buyers due to a wide range of amenities in its premises. The project offers a perfect jogging track for people of all age groups. There is an exclusive clubhouse with various facilities like swimming pool, sauna, steam and Jacuzzi. There is a multi cuisine restaurant where you can enjoy delicacies from all over the world. To provide complete safety to the residents, there is a world class security system available within the township.

BBD Green City Lucknow comprises of flats and apartments in varied sizes. The living rooms consist of vitrified tile flooring while master bedrooms consist of laminated wooden flooring. To have a healthy and peaceful life to the residents, there is availability of health and medical facilities. The township comprises of huge green area and children parks. For leisure activities, the township comprises of badminton court, cricket ground and other indoor games facilities.

The location of project is on Faizabad Road Lucknow that provides great connectivity to various parts of Lucknow. There is availability of various ATMs, shopping complexes and schools within the township for the residents. In this way, the project is meant to offer a comfortable life to the residents.

Emaar MGF plots in Lucknow is a joint venture between Emaar PJSC of Dubai and MGF. It is a 300 acre township project in Gomti Nagar Extension. With features like well developed road connectivity, uninterrupted water and electrical supply and clubhouse facilities, this project will surely elevate the scenario of real estate sector in the city.

These two projects provide peaceful atmosphere combined with beauty to the residents. Lucknow is moving with high pace in both economy and infrastructure in present scenario. The city is running with a fine start in present scenario and the upcoming future comprises of huge hopes for this city of Nawabs. With high boom in real estate sector it is expected that the city has a bright future for its residents and investors. Donâ€™t wait anymore and grab this opportunity of luxury and comfort.
