Canyon Real Estate: an Opportunity for Some Awesome Ski Resorts by [Sanjay Kumar](#)

Article published on January 20th 2012 | [Real Estate](#)

Canyons ski resort is situated at the periphery of Park City. It is one of the most sought after ski resorts in whole of America. Canyons real estate has properties ranging from low priced condominiums such as reasonably priced Red Pine which is right next to Canyons Cabriolet to the high end Waldorf Astoria condominiums.

Price specifications of Canyon homes:

Some years back, the Canyons Ski Resort was bought by Talisker who is a very well-known luxury developer with large number of properties at Deer Valley ski resort. Now they are in process of developing Canyon Estate on the same lines as the Deer Valley ski resort. This will definitely enhance value of property for Canyons real estate. Presently there are almost seventy nine canyons condominiums available for sale at an average price of approximately \$699K. Most of the homes in Canyon are available in The Colony situated at White Pine Canyon. Majority of homes sites in the gated ski in/out society range between four acres to forty acres. Finished homes cost between four to twenty six million dollar. The buyers generally get attracted during the winter ski season. At the start of 2011, eight homes were sold in this area. As compared to 2010, sales of Canyons Real Estate property have been simply outstanding. A lot of people thought that the very high end Park City real estate market would be stagnant but this is definitely not the scene. Nevertheless, sales of super-luxury properties have seen a sharp upsurge.

Benefits of Canyon homes:

Situated approximately eight thousand feet above sea level Canyon offers few of the most wonderful and exotic places in United States for fine dining as well as lovely gondola riding. Canyons also present the very amazing resort shopping experience. One can easily locate The Cabin and Smokey's BBQ, European style ski beach along with sun recliners and fire-pits. You can also find so many attractive food junctions here. During the summers this area is full of foreign tourists hailing from all corners of America and so many other countries to host outdoor sports and concerts. The Canyons is also ready to present a superb golf course which will be finished by mid of 2012. This will offer lovely option to all tourists to enjoy golfing year around.

Ownership options near Canyon:

The Canyons offer privately owned communities which are North-America's best ski-in and ski-out resorts. In case you want your custom built ski-in and ski-out property this is also possible in close vicinity of Canyons real estate. This estate runs parallel to the world renowned Canyon ski resort, which offers you all kinds of picturesque expressions all through the year. The slope side ownerships presented by Sunrise at Escala and the Sundial Lodge are superb options for nature lovers from all over the world. Right by the side of Canyons, one can get a number of ownership opportunities like Timber Wolf, Red Pine and Hidden Creek. The resort situation of Canyons is adjoining the well-known Redstone village, which is quite sought after for its lovely shopping arcades.
