Eldeco Saubhagyam: Providing New Standards of Living by [Komal Chauhan](#)

Article published on March 30th 2012 | [Real Estate](#)

Eldeco group recently launched their new ambitious project titled Eldeco Saubhagyam. It is an ultra urban township that provides the residents all the facilities of a world class residential area. It comprises of an excellent location advantage as it has proximity to Lucknow Bareilly Road and also very near to Chaudhary Charan Singh Airport in Amausi. The project consists of high expectations from the prospective buyers due to the success of earlier projects of Eldeco Group.

Eldeco City Lucknow consists of a big combination of amenities to provide the residents a peaceful and comfortable life. 1BHK/2BHK/3BHK and 4BHK apartments area are provided in the township in the range between 520 sq ft and 1520 sq ft. Vitrified tile flooring is provided in the living room and laminated wooden flooring is provided in master bedroom. Oil bound distemper is given all over the township for durability and longevity. Anti skid ceramic tiles are given in the bathroom and kitchens consist of vitrified tiles in addition to stainless steel sink. Copper wiring is provided in electrical framework and there are ample plug points available for tube and fans in each of the rooms.

Eldeco Saubhagyam Lucknow offers its residents all the facilities of a world class township. It includes an exclusive swimming pool with facilities like Jacuzzi, spa, sauna and steam bath etc. To keep the health and fitness of body, there is playing area available for sports activities. There are numerous gardens and parks available in the township for varied age groups. The township comprises of a world class security system in the complex. The major concern for the people of any township is consumption of water during raining days. Keeping in mind this fact the developers have provide rain water harvesting system and a storm water drainage system. There is uninterrupted electrical and water supply without any problems. A Sewage water treatment plant is also available for the residents to enjoy drain water management facilities.

The location merits are a big boost for the popularity of this project amongst the buyers. It is located near Lucknow Bareilly Road, Chaudhary Charan Singh Airport in Amausi and has close proximity to Hazratganj. It seems to be a good investment option for people who want to have a home of their dreams in Lucknow. The commercial options available here also one of the big reasons for the interest of people while buying a property in Lucknow. This project is an ideal choice for the buyers who want to live a healthy and peaceful life in Lucknow. With the high real estate boom, the attraction is very high for buyers in this project. It can be seen that the project will go with great success in the future.
