Explore the Advantages of Residing in Center City, Philadelphia by [Calvin Mordarski](#)

Article published on August 17th 2012 | [Real Estate](#)

As the previous interim principal city of the United States of America, the metropolitan area of Philadelphia is an old-world city full of culture and history as evidenced by its architectural tradition. Breathtaking edifices and residential structures follow the Georgian style, with skillful renderings of Palladian and Greco-Roman architectural influences bedecking various buildings all over the city. With many rich details still around, it's easy to visualize stately carriages bearing historical figures donning powdered wigs that once traversed the avenues in the City of Brotherly Love.

In the event that you are working or studying in Philadelphia and are looking for someplace to stay, Center City would be a worthwhile area to consider. Center City is a busy part of Philadelphia where the financial hotspots and numerous communities meet. On the other hand, if you enjoy some peace and quiet, check out Fitler Square. Formerly a "mudhole inhabited by drunks and empty bottles", as described in a 1967 book, Fitler Square has subsequently undergone considerable reconstruction and is now a serene part of town that offers a refreshing environment.

Meanwhile, the whole expanse of the Avenue of the Arts could be the perfect residential location for art lovers. This community could revitalize your mind and heart with its many galleries and theaters that are found on Broad Street, also called the Avenue of the Arts. These establishments include the Suzanne Roberst Theater, the Kimmel Center, and the Academy of Music.

Most real estate representatives showcase Center City Philadelphia condos for sale in the Old City, an area right next to the Delaware River. This area of Philadelphia is great for those who treasure one day history and fancy experiencing firsthand. They can surely appreciate exploring Quince Street, which is a narrow cobblestone pavement. The Old City additionally houses Landmark Theaters that showcase independent films.

Rittenhouse Square is another well-known area in Philadelphia because it is wide and spacious. Like Fitler Square, Rittenhouse Square is a quiet venue where folks can take pleasant walks with their loved ones, alone, or with their pets. Center City Philadelphia real estate agents are happy to showcase this area to buyers who wish to enjoy the neighborhood's various retail and dining establishments.

Some homes for sale Center City Philadelphia real estate brokers showcase include properties in Logan Square. Logan Square is well known for being the site of certain estates listed in the National Register of Historic Places. The area boasts of quite a few studios, townhouses, and condominiums which you might want to consider. For additional information and facts, check out Phila. gov and Philadelphia.com.
