Guru Atman : a Divine Residences by Preeti Tomar

Article published on July 24th 2012 | Real Estate

Guru Atman, a newly being constructed residential development project, is being developed in a posh locality of Mumbai city. The Project is being developed with a view to provide a better living space in the busy hustling life of the Mumbai city. The project has been launched by Gurukrupa Group. The Guru Atman offers a new style of living that will give you a sense of calm and happiness while living in the project. The project has ample green landscaped areas giving you a fresh flow of air.

Guru Atman is being developed in a calm and serene locality of Kalyan, Navi Mumbai. Mumbai, the Dreams City of India, is a megapolis where everybody wants to live and dwell. Everyone has a dream, to come and relocate to it. The city of Dreams, Mumbai is the state capital of the State Maharashtra. Being one of the most populated city of the nation, there is a major need of some greener spaces in the city. Thus, the government has decided to make it compulsory for the real estate companies to maintain a eco friendly system in their respective developments. And this Kalyan locality has ample greenery and eco friendly areas. The whole Kalyan Locality has been developed in a proper way to provide a close to nature lifestyle.

Guru Atman is offering a well designed range of 2BHK and 3BHK apartments. These well designed residences will be making a perfect living sense to be stylish interiors with its the elegant layout designs. The apartments elaborates the happiness along with ample privacy.Guru Atman is packed with many state of the art amenities such as Play lawn, Childrenâ€™s play area, Trellis, Aroma Garden, Circular plaza, Circular drop off paving point, Car parking with grass pavers, Low feature wall with waterbed, Open Shower, Swimming Pool, Entry and Security cabin etc. With the surrounding landscaped greenery you can breathe in the fresh flow air which will let your mind, body and soul feel the tranquillity in the rejuvenating aroma of harmony of Nature.

Gurukrupa group have laced the skyline of Mumbai with sheer architectural marvels since our inception in the year 1994. Thoroughly professional at their approach, the Gurukrupa Group take utmost care to wrap their service in warmth thereby carving smiles emanating unprecedented satisfaction on their customers' faces. The company has successfully delivered 20 lac sq. ft of dynamic lifestyle with their futuristic residential towers and shopping malls and endeavor to erect 5 lac sq. ft. of aesthetic elegance every year.
