Article published on February 29th 2012 | Real Estate

When one tends to buy a property, there is lot of research and tension. This is obvious, as you are investing your hard earned money. You take proper measures to make ensure that you make a perfect choice in the property. There are various factors that ensure that the property, you are investing in, is a correct choice. One such factor is the builder, as if your builder is reputed and a brand, then you can be sure of investing in a right property.

There are so many developers in real estate market, trying to make their presence marked in the industry. One such renowned developer is Indiabulls Real Estate Ltd. With the years of experience in the field, they have crafted some of the high end masterpieces in architecture and engineering. Now, they have come up with their latest ambitious project Indiabulls Greens which is designed to make an impression in the residential complexes. This development is located near ELCOT SEZ, off old Mahabalipuram Road, Shollinganal Chennai. The project is intact with world class features that make you experience a living of complete luxury and comfort.

The development is spread across 15.9 acres of land and is comprised of 900 residential units. It is located at a handpicked site that ensures picturesque landscape and complete tranquil atmosphere that takes you to the complete new world. With more than 70% open and lush green area, the site is a perfect blend of nature along with the modern technologies.

The project offers a choice of 2, 3 and 4 BHK apartments with the tentative sizes ranging from 1230 sq. ft to 2450 sq. ft. All these apartments are laid in 37 towers with 4 flats per floor. The hard work of the worldâ€™s best planners can be seen through the elegance and grace that every apartment highlights. Each apartment is intact with world class specifications and features which make living at this place a never ending bash.

Furthermore, the whole awesome creation contains amenities that can make your friends envy your lifestyle. Some of the amenities that Indiabulls Greens offer are swimming pool, multi-purpose club house, ample parking space, complete power backup and much more. Other than this, the complete Vaastu complaint architecture of the project adds to the value of the project. The builders understand your care and love for your family. This is the reason, proper security is provided to ensure the safety factor. Furthermore, the parking space has been designed in the basement to provide vehicle free podium where your children can play and you mother can enjoy the gossip with her friends in the well landscaped park.

The developer, Indiabulls Real Estate Ltd, is one of the largest real estate companies in India and has around 10000 acres of construction land to its credit. The developers are well known for its developments that provide high end amenities and opulent features, with this creation no other exception.

So, if you planning to dwell in the complete peace and tranquil, Indiabulls Greens by IREL in Chennai is a perfect choice. For an ideal place, visit:
