Olympia Grande is the recent awesome residential project presented by Olympia Group. The project is providing you dream homes with lot of features. The project named Olympia Grande comprises of lavish apartments with the area range of 1100 sq ft to 1575 sq ft. The price of these residences starts at Rs 60, 50,000 onwards.

Making Chennai, one of the fasted growing cities of India, many builders are coming up with umpteen residential projects that give a choice to you to choose a property that suits your requirements and needs. These builders offer stand alone apartments, housing societies, villas, raw houses, high-rise apartments, service apartments, studio apartments and much more. Amongst the developers of Chennai, or better say South India, Olympia Group offers an array of residential properties. In the same regard, they have come up with their new residential project called Olympia Grande. The project is located in the heart of the city with the strategic location of Pallavaram Chennai.

The complex is composed of 2 and 3 BHK apartments, from which some include terraces or gardens as per the price of the apartments. Perfect space utilization and aesthetic designs are some of the silent features of the development. Other than this, swimming pool, well landscaped gardens with traced jogging tracks, complete power backup, round the clock security, high speed elevators, security with latest features and technology and much add to the value of the project. Each and every apartment is a perfect blend of technology and contemporary living. Abundant sunlight and ventilation ensures the healthy living for you and your family. With the ample living space, you can rest assured of getting a smooth and pleasurable living.

Other than this, the handpicked location of the project is also among some of the features that make sure that you are making a perfect investment. The Olympia Grande is located on GST road, next to Pallavaram Bus Stand. It is very close to railway station and is adjacent to Pallavaram flyover. Being at a stone throw away distance from certain centers like MEPZ, OMR and few other IT parks in the city, the project is a preferred choice for umpteen professional working in the city. Furthermore, the close proximity to the colleges, schools, shopping malls and other recreational centers of the city, the place is among favorite haunts.

Close to the pre historic wisdom of the enormous Pallavaram monarchs who used to live in the suburbs at one time, the development is nothing less than the paradise on earth. The construction is on full swing and can be stated as one of the initial high rising housing construction with around 11 floors.

The developer, Olympia Group is one of the established real estate companies in South India. With its sheer dedication and commitment to provide quality construction, the company has grown to set certain benchmarks for the competitors. With the years of experience in the field, the company is bringing a niche for themselves in this competitive world. Adhering to the principles of quality services, innovation and latest technology, the projects that the company launches, is the perfect replica of quality and best architecture.

Olympia Grande is the best planned project with having best quality construction work and finest fitting, fixtures and specifications for every apartment. For more:
