Omaxe Residency Lucknow is the latest project developed by Omaxe Developers, a renowned name in real estate sector. The project is situated in Gomti Nagar Extension, and provides location advantages for various areas of Lucknow. It consists of luxurious 2BHK and 3BHK apartments of that ranges between 1150 sq ft and 1450 sq. ft. With high growth of property in Lucknow, this project ensures great prospects in the future.

There are various factors associated with the popularity of this project, the very first is it's the beautiful location. Moreover, there are various facilities like an exclusive club house with swimming pool, Jacuzzi, shower, sauna bath etc. For recreational purposes, there is availability of various outdoor and indoor games. To keep the body healthy and fit, the club consists of a fully equipped gymnasium that comprises of all the modern facilities.

No one can deny the importance of parks in such a township. The developers took care of this important thing and therefore, there are various parks available in the township. There is uninterrupted electricity and water supply available in addition to Wi-Fi facility. The developers never compromised with the quality in any of their projects and this one is no exception. The complete setup of apartments has been created by best professionals in the industry. The living rooms comprise of vitrified tile flooring and the walls and ceilings have been painted with Oil bound distemper. The bedrooms comprise of vitrified tiles and the kitchens consist of ceramic tile flooring. Moreover, the Kitchen platform has been designed in granite in addition to stainless steel sink.

Sushant Golf city Lucknow is another project that gained huge hype in recent months. This ultra modern township encompasses an area of 3500 acres. It offers world class facilities to the residents. There is availability of high class educational institutions for kids and students. There is availability of excellent health care facilities with world class level state-of-the-art infrastructure. There is also the provision of solid waste management, due to which the residents engage in the activity with complete enthusiasm. There is availability of ample landscaping and green cover in the township. All this work is done under the monitoring of a reputed organization.

Sushant Golf city Lucknow comprises of excellent location advantages as it is located on Gomti Nagar on one side, and airport on another. It is situated on the Lucknow-Sultanpur National Highway, and makes it accessible to various areas. It has close proximity to Bhimrao Ambedkar University and the Service Road. There is also availability of banks, insurance companies, Cyber cafes, BPOs etc. These two projects are highly recommended for everyone who is looking for a peaceful and healthy living.
