Article published on July 5th 2012 | Real Estate

Pacifica Aurum is an upmarket residential development project that has been announced to developed at a recent press conference. It was announced to be developed in the Chennai city. It is a newly launched luxurious development project that will have a very exotic life to offer. The project has been designed to cater an international audience but there are a lot more things for the Indian people. The project will have a blend of international style with indian values and traditions. The Pacifica Aurum will be developed by the Pacifica Companies. It is a company that has carved many a scintillating residential project across the country. The company also a long list of satisfied customers with a good track record of quality service.

Pacifica Aurum is situated at the OMR, Chennai. OMR in Chennai stands for Old Mahabalipuram Road. It is one of the most important roads in the Chennai city that connects the project site to happening areas of the city. It is an outstanding locations, that is considered to be a demanding location of the city. Pacifica has used this skill set to successfully partner with pension funds, institutional banks, investors, and real estate funds for strategic real estate investing ventures.

Pacifica Aurum has 2BHK & 3BHK apartments to offer. These 2BHK & 3BHK apartments will have a pleasant life with its quality designs. These designs are far better in comparison with other residential properties in the nearby localities. These apartments will be equipped with an international lifestyle of elegance. There will be a very imperial living standard in the Aurum that is one of its kind in the whole city.

Pacifica Aurum will be developed with a set of premium lifestyle amenities such as Library, Restaurants,Multipurpose hall, Courts - Badminton courts , Squash courts, Gymnasium and Swimming pool. There will also be Table Tennis, Bowling, Discotheque, Mini- Theater, Guest Rooms and much more things of importance near you in the project.

Pacifica companies started its Indian operation in 2004-05, with the head office in Ahmedabad & regional offices in New Delhi, Bangalore, Hyderabad and Chennai. These offices are well poised to meet our vision of establishing a national leading position in the real estate industry, spanning the spectrum of all real estate development. Pacifica's vast real estate portfolio includes hotels, mixed use projects, development projects, master planned communities, office, industrial buildings, retail shopping centers, senior housing assets, single tenant leases, multifamily for rent and sale projects and single-family communities throughout the United States, Mexico and India.The company was founded in 1978 by the current Chairman Ash Israni and has since grown at an exponential rate.
