Property Rates in Thane & Theory about Construction Business by Sameer Itkyal

Article published on February 13th 2012 | Real Estate

The city of Thane has a got a different outlook in recent years in terms of culture, living. It is the most developing district in the state of Maharashtra in the context of infrastructure and housing development. Many people are shifting from town to Thane because of rich standard of living and modern facilities. Majority of rural land is developed into urban as a result of this urbanization is widely spreading here.

Thane is the prime location of Mumbai where builders and real estate developers, on the other hand, are working on various residential projects to provide all categories of home seekers. Thane project is one of the popular residential developments in Mumbai with many excellent amenities such as mystical landscaping gardens, library, swimming pool, tennis court etc.

Over the past year Thane property market has witnessed of sharp rise in property prices as well as rising mortgage rate, due to these consequences property deals and commercial space has taken a plunge. Rental deals have also seen an upward surge as compared to previous year. An excellent premium project Orion is Located in Thane whereas Vijay Group, Lodha Group, Sheth Builder are bringing various luxurious projects.
