The History of Addison Texas by [DallasApartment1](#)

Article published on May 7th 2012 | [Real Estate](#)

Since Addison Texas, is considered a town that is booming, where the business and day populace generally reach up to 100,000 in a day. If you are one of the individual who work in Addison Texas and are regarding renting an apartment in Addison Texas, you may perhaps desire to recognize a number of of the history of the town. The Town of Addison is situated in a region that was once named Peters Colony.

Moreover, the colony was established as in 1846 when Preston Witt built up a home on White Rock Creek. Peters Colony was called Addison in 1902 after Addison Robertson, who provided as the community's 2nd postmaster from 1908-1916. The primary industry brought in to Addison was a cotton gin that was built upon Addison Road through the Pistole brothers. It became the City Cotton Oil Mill in 1904 PLUS the Farmers Gin of Addison in 1919. The City of Addison was integrated on June 15, 1953 and was distorted to the "Town of Addison" in 1982.

Addison's first Mayor was M.W. Morris & the representatives were Dr. H.T. Nesbit, Guy Dennis, J.E. Julian, Jr., Robert W. Wood and Seldon Knowles. A voting to grant liquor through the drink served in town was controlled 1975 & was a chief attribution to the enlargement of restaurants and businesses. Currently Addison's restaurants & eating establishment could seat over 20,000 sponsors at a time. The c of Addison constructed its first town park in 1978 and fast-growing decoration program was under means via 1980.

Now, Addison's 118 acres of parks are a few of the supreme in Texas where all park is exclusively themed and attractively decorated.
