Article published on April 9th 2012 | [Real Estate](#)

The focus of real estate builders both public and private is to make accessible social infrastructure like shopping malls, departmental stores, educational institutions, schools, hospitals, family entertainment centers, value-added services such as clubs, ATMs, swimming pools etc. all within the Indirapuram area.

Growth In Indirapuram Property Market

The Commonwealth Games and the establishment of the Metro Rail have comprehensively prejudiced the worth of real estate and ushered in the property market development in Indirapuram region. The landlords are now able to aver elevated rental prices more than ever.

The prices of both commercial and residential plots, villas, flats, studio apartments, etc in Indirapuram area have sky-rocketed in the last few years. Real estate prices have gone largely due to the lofty increase in foreign direct investment and improvement in the accessibility of residential and commercial space at prices that are affordable by people of middle income group.

Present Trend

The current trend is the ground-breaking initiatives of service residences which have all the amenities of a five star hotel at just about one-third the cost. These service residences have well-equipped living rooms, offices and bedrooms along with small pantries.

Upcoming Projects

The upcoming housing projects are planned in accord with the real necessities of the people and give an experience of first-class housing fashion. The housing dwellings in townships and condos, despite being profligately priced, match the global standard and present you lavish and prolific housing. There is an increase in the number of builders who are investing in construction of stylish and word-class high-rise that is targeted at the elite who want a newer space and healthy environment for living, and have the capacity the expensive dwellings.

For public with reserved income, practically priced flats and apartments too are very much obtainable in the city.

â€¢Eldeco Apartments â€” it is located adjacent to Delhi-Ghaziabad border.
