Wave city centre: Best for your organization by Komal Chauhan

Article published on January 28th 2012 | Real Estate

Property in Noida is witnessing some innovative ideas in both residential and commercial projects. Wave city centre is also one of those innovative ideas launched by Wave Infratech. The organization is consistently providing numerous successful projects across the nation and this project seems no exception. Due to the success of their previous projects, the organization has gained a wide reputation in real estate sector. This project seems to be a creative attempt to establish them as leader of real estate sector.

There are various organizations in present scenario looking for a good infrastructure amongst the property in Noida to setup their office. Wave city centre seems to be a viable option for all those companies. It lies in the heart of Noida, i.e. near Sector 25A and Sector 32. The project offer world class studio apartments, 2BHK and 3BHK apartments with complete furnishings. The organizations looking for office space can grab this opportunity because it is the best option available both in terms of creativity and infrastructure.

Wave Infratech is an organization that gained high popularity due to their high quality work and dedication towards the project. This project is also built up with the same ethics of developers and they are expecting a good response from the prospective buyers this time also. The faith that people always shown in this organization is the major catalyst behind its huge success, so it is quite obvious that they are expecting the same from buyers in this project also.

Wave city centre comprises of a big built up area, ranges around 4 crore sq. ft. About 1 crore sq. ft. of the total area is retained for commercial purpose and rest of the area is available for retail, residential use and multiplexes. The apartments have been meticulously designed as per the norms of earthquake resistant structures in accordance with RCC requirements. There is ample space for parking in the complex. The bathroom consists of excellent quality fittings and for security concerns, there is availability of a fire fighting system. Each condomium bay comprises of provision of staircase and lift. With all these facilities, it is clearly evident that this is one of the finest complexes of Delhi/NCR region.

Wave city centre enjoys various location advantages due to its location in sector 32 and sector 25A. It is very near to Atta market, metro station and DND flyover. Various ATMs, hospitals, Spice mall and other shopping complexes are also lies in the nearby region. Due to these location benefits and world class facilities, the project already created hype amongst the prospective buyers. In the near future, there is an increase in the number of facilities it provides. It is the best time to book the apartment here according to your requirements.
