Article published on May 3rd 2012 | Recreation

Do you want to stay away from the daily monotonous office life? The city pollution is making you sick, isnâ€™t it? Mental tiredness is making your work performance deteriorate by a greater margin. What happens then? You simply need a weekend outstation break to enjoy life and relax in a cool, calm way. You need fresh air, plenty of oxygen, and pleasant surroundings to heal up the mental tiredness. When such a scenario takes place, itâ€™s time to plan for sheffield weekend trip.

Situated on the Southern Yorkshire County of England, Sheffield is the greenest city in the entire Europe. There are around two hundred parks that fill up the entire city. Apart from parks, there are also several woodland, gardens, and bushes situated at several parts of the city as well at outskirt. According to a recent survey, it is said that the number of trees this city has is greater than its total human population! Now this is what we call a perfectly dedicated green city.

In sheffield stag parties are conducted very frequently by bachelors during weekend time. The cool and green atmosphere makes it more favorable for bachelors to enjoy fun with friends in this beautiful British city.

Although there are several museums, art galleries, theatre and cinema halls in the city, but the major attraction lies in parks and gardens. They are simply beautiful and makes for a pleasant atmosphere. Intercity tram facility is very popular and is the most common mode of transportation. Then, there are also bus and cab facility. Train is also avail to travel different parts of Yorkshire as well England. Through canal, ferry facility is available that takes passenger to Rotherham, Doncastar, and Keadby. The nearest airport is situated at Doncaster, around 29 km from the main center of Sheffield.
