Prominent and Famous Oceanfront Hotels in Miami Beach by Chris Adam

Article published on January 4th 2012 | Recreation

The few things that make Miami the most loved destination among both celebrities and common people are vibrant nightlife, the sunshine and magnificent beaches. To add to these natural beauties come the artificial beauties like the fashion shops, hotels, museums. With so many tourists coming to the beaches frequently and throughout the year, they need hotels to stay there for as long they feel like. The oceanfront hotels miami beach provides maximum ease, breathtaking aquatic views and simple modes of transport to other attractions.

The National Hotel is an Art Deco designed hotel that was built in the year 1939. Itâ€™s one of the most famous buildings in the South Beach areas. The vibrant colors, modern furniture, well-maintained garden that leads to the private beach are the main highlights of this hotel. This hotel is a part of the famed Preferred Hotels Group. Comprising of 13 elaborate floors, this building has got 151 rooms to stay in for the guests. The food section is looked after the Tamara Restaurant and has provisions for indoor or outdoor dining in the open terrace.

The Setai oceanfront hotels Miami Beach has got an Asian touch to its make. Itâ€™s situated at a mileâ€™ distance between the Bass Museum of Art and Miami Municipal Golf Course. This hotel is looked after by the Leading Hotels of the World Group. At a staggering 40 stories tall with 140 houses and residential condo villas, it just canâ€™t get better than this for seaside living. There are provisions of both hotel-dining and room-service serving pan-Asian, Mediterranean and French food.

Another famous oceanfront hotels miami beach is the South Seas Hotel whose make is quite similar to that of the National Hotel. Besides the 111 room elaborate organization for accommodation, there are provisions for outdoor pool, fitness center, tropical gardens, spa and 24-hour private beach access
