Do you love green environment? If so, then why not spend the summer weekends in Sheffield? It is the greenest city in Europe with an estimated 3 million tree. The city is filled with numerous green spaces like park and horticultures. For bachelors, stag sheffield is a popular option due to the climatic condition. The climate can be described as temperate with cool summers and mild (often freezing) winters. However, rainfall is scanty in nature. Frost occurs mostly in between months of December till March.

nightlife Sheffield is quite attractive with the presence of pubs and adult clubs all over the city. Numerous lounge bars, big shopping malls, restaurants, strip clubs, and cafeterias can be seen facing massive crowds during the weekend.

Being a green city, there are plenty of areas where people enjoy evening and morning walking session without facing those high amount of pollution. There are plenty of parks, greenhouse, horticulture, and woods situated within the city as well as at its outskirts. The most beautiful parks include Sheffield Botanical Gardens, Sheffield Winter Gardens, Hillsborough Walled Gardens, and Peace Gardens. All four have their separate entity. A lot of natural reserve and woodland area can be seen within the city boundary.

Sheffield is quite a large city. There are plenty of local attractions and landmarks for viewing purpose. But, it may become rather a difficult task to ride alone without help from any expert city guide. While planning for a city tour, opt for local travel agencies available in there. Both luxury bus as well private cabs are available for city tour purpose. In fact, a lot of travel agencies conduct city tour on a regular basis through luxury bus. It opts for a cheaper option. However, if you are looking for more privacy while touring this beautiful green city, then private cabs should be the option to avail.
