With a selection of windsock products Wind Rush Kites is perfect for any avid kite flyer by

Article published on June 16th 2012 | Recreation

If you're enthused by watching your kite soar majestically, riding the breeze before diving to earth then catching a gust and rising high once more, here at Windrush Kites our selection of power kites and windsock products are just for you.

Whether you're a novice or a seasoned veteran then you're sure to find our selection of products will provide you hour upon hour of fun. We have a selection of kites and windsock products from some of the leading manufacturers in the industry. All of our products are reasonably-priced and can be delivered within a short time after the receipt of order.

Here at Wind Rush Kites our windsocks are similarly gaudy and intricately designed. Indeed, the windsock designs that we stock have a selection of animal designs that are sure to appeal to children and those who are young at heart. Out Gold Fish windsock has vibrant colours and a beautifully appliquÃ©d body. The windsock itself features a rip stop nylon body and swivel clip attachment. At eighty six centimetres and priced at just nine pounds and forty nine pence the Gold Fish windsock are as affordable as they are intricately designed.

If, on the other hand, you're looking for a windsock that has a professional appearance then the Large Vortex Spinner is just for you. As our most popular windsock we have recently increased the size of this spinner so it will appear more predominant in the sky. This windsock is ideal when placed on a six metre pole, features incredibly long four hundred centimetre tails and a rainbow colour that is surely a delight to behold.

If you'd like to browse through our collection of windsocks, or indeed if you'd like to see our complete product range and purchase one of these kites online, then all you need to do is to come and visit us online at: www.windrushkites.co.uk.
