As Per our Hindu culture the universe began with satyug and supposed to be end in 2012. As per the Hindus Scriptures there are total of four yugs that are Sat yug, treta yug, Dwapar Yug and kalYug. Sat yug last for 1,728,000 years , treta yug last for 1,296,000 years and dwapar yug last for 864,000 years. It is firmly believe that kalyua began in 3102 B.C. In the Midnight. At present 5110 years have been passed since the kalyug began and It is also believe that kalki avatar will takes birth in the kalyug and the widely accepted belief among Hindus is that the kalyug will see complete total destruction. Creation will begins after full annihilation. As per the belief it is also said by Hindu peoples that Lord Krishna claimed about the end of kluge after commencement of 5000 years .

As our Hindu belief is also agree to Mayan calendar and biblical reference as both these also state about the end of the world in 2012 as per the statements given in the books of Christians In the Book of Revelation the end of the world has been referred as the total destruction of the world. In Bible the Apocalypse is referred as the Godâ€™s Will and it has been elaborated in the Book of Revelation .As per their book There will global shower of meteors which will destroys 30 5 vegetation and crops on the earth and as Asteroid will crash in to the sea causing tidal waves and tsunami that will flood the all human and non human lives and there will extensive loss of lives due to this.

Now As per the verdict astrology Year the day of December 2012 will be Friday (the day that is ruled by Venus) . Following are the analysis and chart for the sunrise of 21st December 2012. Sagittarius is rising at 5 degrees and 25 minutes. Venus, Rahu and Ketu are out of action, Mars and Saturn are glorious. If we see the numerology regarding year 2012 then we come to know that year 2012 will governed by number 5 and this number is ruled by mercury. This number denote divine guidance from almighty and indicates the strong change in the universal law, religions, rules and regulations as a result of the dramatic changes that take place in the world and due to this The Rulers become peasants and the downtrodden begin to rule in this period . Powerful countries will grow weak and the weak ones will grow in the power.

So after going through all this we can assume that Year 2012 will be , no doubt , utter the beginning of the new age in the world civilization But It does not mean we can consider it as the end of the whole world or the end of the world but we can say it as beginning of new age as Hindus said about it as the golden age. But we cannot assume year 2012 as the end of the world. Now all have to donâ€™t worry about the 2012 just live freely.
