Get Trained in Christian Evangelism in UK by [Gary Lee](#)

Article published on July 9th 2012 | [Religion](#)

Evangelism as we know is the preaching of the gospel of Christ, in other words it is known as spreading the good news of the kingdom of God. The focus is on sharing about the salvation available through the Lord Jesus Christ. Across the UK are evangelical seminaries and theological institutions, training Christians with a heart for evangelism mission. Bible centered evangelical training is provided equipping them with theological and biblical knowledge. The mission of these institutes is to primarily win souls for Christ and expanding God's kingdom.

Training Methods

With the aim of supporting individuals with leadership and evangelism gifts, these ministries and institutes adopt effective evangelizing training methods. The mission is to add souls to the body of Christ and promote evangelism in UK. Christians are provided with the opportunity, to share the love of Christ and His gospel through service and music. They provide adequate resource materials, helping you learn more from God's word, be enriched by the Holy Spirit, through which you can effectively minister from God's word. The resource materials are given as hand outs or material is provided online, engaging you into web-based learning.

Evangelism Methods

Soul winning, friendship evangelism, musical evangelism is some of the evangelism methods adopted and encouraged by Christian ministries. These methods give you the bible based approach to win souls for Christ. These ministries adopt Evangelism Explosion that is a church based outreach method. They have a group of gifted Christians who translate tracts into various languages and distribute them to different churches. This helps the churches in their outreach efforts. Their online website provides you basic steps to win a soul for Christ. As a Christian you would need to know about the basic doctrine of salvation, which is also explained to you. This through fervent prayer can help you lead a soul to Christ. The website also displays an unconventional way of student evangelizing, that help you overcome fear in sharing about your faith.

Partnership with Charity

These ministries also partner in their giving with charitable organizations. This done to spread the news of Christ's love to nations. You can help in the support of these ministries from any corner of the globe. You could subscribe to their mailing list and get updates or materials necessary for evangelizing. You could be a sponsor for the charity organization they are in partnership with and help the underprivileged. The ministry believes in serving God by serving others. Every Christian is called to serve God, so you can do your bit in the expansion of God's kingdom by removing all barriers that would hinder you from sharing the love of Christ to others. The ministry aims at molding Christians for Evangelism Mission
