Jagatguru Kripalu Parishat glorifies pure love: by Noemisimpkins

Article published on January 12th 2012 | Religion

Love is the binding force among all. It is love that keeps all human beings attached to one another. It is love that makes humans a true human being. Love teaches us to live. Love teaches us to care for fellow living beings. Love teaches us compassion and love brings us to the path of self realization. Love is the elixir of life and it is the love that fills life with divine pleasure that everyone seeks. We all should work towards the attainment of pure love in our life. It takes us to the path of omnipotent God.

Jagatguru Kripalu Parishat is dedicated to spread the message of pure love among all human beings. It believes in everyone's equality and encourages all to make this world a better place for everybody where all human beings have sympathy and compassion towards each other and consider this world a big family of compassionate living beings.

Jagatguru Kripalu Parishat teaches all to have a tender heart towards the problems of their fellow human beings and encourages them to contribute towards their welfare. It organizes social welfare activities for the needy and poor people who look for the help of their fellow human beings to alleviate their pains.

Jagatguru Kripalu Parishat runs the ashrams in different parts of world and spreads the message of pure love there. These ashrams are working unto the knowledge and enlightenment of human beings to attain greater spiritual heights and instill moral values so as to take them all on the path of ultimate reunion with supreme soul. This reunion is possible when we all understand the true meaning of love and have compassion and kindness towards our fellow living beings.

Jagatguru Kripalu Parishat brings all to the path of real devotion by performing social acts for the welfare of humanity. It organizes medical camps for those who can't afford treatment. It instills moral values among the children through various schools being run in its observation. It gives opportunity to youth get the quality education that enables them to contribute towards society with their knowledge and skill.

Jagatguru Kripalu Parishat believes that the path to God opens when we serve His people. Therefore it feeds thousands of poor people and distributes clothes and other necessary belongings to them through different social welfare events. In the Ashrams being run under its observation, people attain self realization and perceive the true meaning of life.
