About The 3C

The 3C Company is a pioneer in conceiving and executing Green Developments in Delhi and NCR. With the prime focus on delivering state of the art energy efficient buildings the group has already delivered over 12 Million Sq. Ft. of niche developments and is presently working on projects worth over Rs. 15000/- Crores. The 3C Company is the only team in Asia which has to its credit Three PLATINUM Rated & Two GOLD rated LEED CERTIFIED GREEN BUILDINGS by USGBC (United States Green Building Council)

The 3C Company brings together the unparalleled occurrence of three nationally acclaimed

professionals from the fields of Architecture - Mr. Vidur Bharadwaj, Construction - Mr. Surpreet Suri and Development - Mr. Nirmal Singh. It was their far sightedness that has led them to be pioneers of environment friendly creations. Led by these three highly qualified and experienced specialists is a team of 400 professionals working towards the cause of reducing the carbon footprint on the earth.

Today when, a lot of major players in the construction and development industry are still accumulating their resources to develop environment friendly construction solutions 'The 3C Company' has already set very high standards and created benchmarks in the concept of GREEN CONSTRUCTION for others to follow. Pledged towards reducing the carbon footprint on the earth, the company has been creating buildings that are truly sustainable in form, function and use. These sustainable developments not only use far less natural resources and energy in the process they are built but are also more durable and require less maintenance.
