SEO Next is a SEO service providing company having headquarters in Florida, USA. The company has started in 2005 and since then it is continuously expanding its offices in countries like the US, the UK, Australia and India. With the great services, the company has earned great reputation in the field of SEO service. Apart from SEO service, the company provides many other marketing solutions to its clientele. Pay per click (PPC), link building, copywriting etc. are the part of its services. Apart from these services it also has expertise in reputation management, website review service and video optimization. Apart from the marketing solution SEO Next provide development services like website design, e-commerce shopping cart, Drupal designing and programming, WordPress designing and optimization and customized PHP programming. The clients of SEO Next are extremely happy and satisfied with the service that the company provides and are willing to come back for their service.

Though SEO Next is one of the big names in SEO business arena, this company also is not away from criticism and bad remarks at times. There are clients who are not satisfied with the service that SEO Next provides. These clients have SEO Next complaints. They provide these feedbacks directly to the service provider or sometimes they post the seonext complaints in forums as well. Like the complaints there are SEO Next reviews that are posted in different forums. These reviews are mostly of the services that SEO Next provides. The bad things go worst when a company hits a scam. This company is also not an exception of this. SEO Next scam is mostly maneuvered by its competitors to dismantle the repute of the company. When it comes to the reviews there are many SEO Next bad reviews lingering in the internet.
