Are you looking for new Zippo Lighters? by Julia Roger

Article published on December 2nd 2011 | Shopping

Zippo lighters are noted for their superior lighting ability and quality, and Zippo lighters make great presents for all sorts of people. Unlike other types of lighters and smoking paraphernalia, Zippo lighters are available in a huge range of colours, patterns and styles, but all Zippo lighters are the same top quality and offer great performance in all weather conditions.

Zippo lighters are made in the United States and the Zippo lighters brand was created back in 1932. In the early days of Zippo lighters, the products were extremely popular with members of the US military, and many soldiers who served in the Vietnam War helped to push a trend for personalised Zippo lighters, engraved with their names or rank number.

Here at Pocket Gift, we specialise in Zippo lighters and our current Zippo lighters collection includes items from the brand new 2011 Zippo lighters range. We have the largest collection of Zippo lighters anywhere online, giving our customers a great choice and the chance to invest in Zippo lighters which perfectly match their interests or those of a friend or loved one.

Popular Zippo lighters we have on offer include Harley Davidson Zippo lighters, several kinds of Zippo lighters depicting favourite tipples, Playboy Zippo lighters and a huge selection of Zippo lighters decorated with the logos and emblems of football teams and sports squads.

Those looking for Zippo lighters for birthday presents could find our collection of starsign Zippo lighters ideal. We have Zippo lighters for every sign of the zodiac, and each is decorated in vibrant colours and images showing the symbol of that sign.

Our Zippo lighters engraving service is also ideal for those looking for Zippo lighters for a present, and we are happy to adorn any of our Zippo lighters with names, sentiments, numbers or anything else.
