Are you a few weeks away from your sisterâ€™s birthday? Is she turning 30 this year? Then you have strike the right cord. Here we are going to discuss some unusual and stunning 30th birthday gifts, which will make the great occasion of her life even more memorable.

You can gift your sister a gorgeous personalised pearl necklace. This delightful gift is sure to make your sister feel very special and important on her 30th birthday. It is an ideal way to express your love for your sweet elder sister. Freshwater white pearl beads are used to make this necklace. The necklace is 14â€• in length and has a silver pendant, where you can engrave the name of your sister. If you wish you can also imprint the initial of her name on the pendant.

Among various 30th birthday gifts that are widely available, the exquisite â€˜silver glitter 30th birthday photo frameâ€™ is sure to grab the attention of your sister. This beauteous photo frame has a sparkling silver finish. It is just perfect to preserve your golden moments with your elder sister. The number 30, with silver glitters on its inner surface, appears on the left of the photo frame. The photo frame can hold any photo whose size is 5â€•x3.5â€•. You can place your photo frame on a flat surface as the velvet stand at the back of the photo frame provides it the required support. The velvet stand on the reverse side of the frame is black in colour.

If your sister is a fashion freak, you can gift your sister a stylish personalised handbag compact mirror as 30th birthday gifts items. The dimensions of this gift item are:

Height - 5cm

Width - 6cm

Depth -1cm

This beautifully designed gift provides you with space where you can inscribe a personal message for your sister. Your message should not exceed sixty characters. The compact mirror has been designed in the shape of a ladies handbag comprising of a double mirror. This gift has a lustrous silver finishing and comes with a touch of modernity.

Christening gifts for a baby girl:

You can bestow your love and affection on the new born baby with exclusive christening gifts, on the occasion of christening. You can gift the little one a personalised pink church teddy. The teddy bear, brown in colour, wears a very cute t-shirt. The image of church and flowers around it is embossed on the t-shirt. The theme colour of the images is pink and green. You can imprint the name of the child, date, and the occasion on the t-shirt. You can also present other christening gifts like â€˜personalised cream bunny with pink threadâ€™, or a â€˜sweet personalised pink baby basketâ€™.
