Greek apparel are getting increasingly famous in colleges. You get many occasions in which you will like to wear your greek clothes and show your solidarity towards the fraternity you belong. But there is a method or a procedure to wear greek clothing. Wearing greek clothes in the right procedure will help you to look better in that attire. With custom greek apparel you should also take care of your apparel so that it says good for all the time you use them.

The first thing you should do to maintain your greek shirts and greek letter shirts is you should wear it according to the occasion. If the occasion is for a fraternity meeting where you will be merely sitting then you can wear your best fraternity shirts as it will not get dirty or pick up stain. Whereas if the occasions something sporty where your letter shirts or something greek you wear will get dirty and stained the best thing to do is to wear old greek t shirts.

The same way there is also a method to wear greek hoodies. Normally greek hoodies are tied to the waist, when you wear your greek hoodie by tying it to the waist it has a good chance of covering the symbol of your fraternity. In this case you should find yourself a best method to wear the greek hoodies.

The next thing you should take care of is how to wash your greek cardigans. Washing your greek clothes with utmost care will help you to retain your custom greek letters shirts or sorority shirts for a long time. While washing you should turn your greek apparel upside down this help you to save your fraternity words and symbols from getting washed away with detergent.

After washing you should also be careful while drying the sorority dresses. While drying you should not dry them in direct sun. You should try to dry them in shade. When you dry your sorority jackets in direct sunlight the symbols and letters in the sorority shirt might come off. In case if you have absent mindedly dried your greek clothing in direct sun light and if the symbols and letters have come off then you can fix them by ironing the letters in the shirts. But in most cases it is time to buy new greek clothes when the symbols comes off.

It is a pride for the fraternity members to wear a clean greek apparel and to wear it properly. The above points will help you in wearing your greek clothing clean and perfect. This is very important as some fraternities and sororities might punish if you wear improper greek clothes.
