Article published on March 28th 2012 | Shopping

The key to a good night's sleep is choosing the right bed. Seems obvious, doesn't it? But not all beds are the same, and finding the right one for you can be a tricky when there are so many options â€“ both of which bed to choose, and where to buy your bed from.

Buying a bed in Warrington

If youâ€™re in the Warrington area and youâ€™re looking for a new bed, at Smart Furnishings youâ€™ll fi wide range of great value, extremely comfortable beds â€“ as well as other items of bedroom furniture, quality brand-name carpets, rugs and sofas. Everything you need for your perfect bedroom, all under one roof.

Harrison Beds at Smart Furnishing Warrington

A new addition to their wide selection of bedroom furniture is the Harrison range of beds. With over 100 yearsâ€™ experience of making beds of the highest quality, Harrison offer stylish, comfortable, expertly-crafted beds that really are a cut above the standard, mass-produced beds on the market.

The care, skill and attention to detail that goes into crafting Harrison beds really shows. For example, no other beds offer the unique â€œRevolution pocket springâ€• system. Each mattress spring reacts independently, contouring to your body and offering an unbeatable level of comfort. This unique â€œspring within a springâ€• mattress design is only found in Harrison beds.

Best of all, Harrison beds can be tailor-made for your comfort. Beds can be customised to suit your needs â€“ choose a divan or a bed with legs (with or without casters), a variety of stylish and contemporary frames, and a huge range of mattress fillings of varying degrees of firmness, including wool, cotton, mohair, latex or memory foam â€“ with many of these fillings cultivated on Harrisonâ€™s very own farm. And with a wide range of colours and fabrics available, you can customise your Harrison bed to suit you â€“ and your bedroom. Your Harrison bed will be just as stylish as it is comfortable.

So why not discover the Harrison difference? Youâ€™ll find a wide range of Harrison beds to choose from at Smart Furnishings, located in Stockton Heath, near Warrington. Smart Furnishingsâ€™ friendly, knowledgeable team are on-hand to help you choose the right options for your Harrison bed, helping you to get off to a good nightâ€™s sleep every night.

At Smart Furnishings you'll find everything you need for your bedroom. In addition to beds, thereâ€™s a wide range of rugs, carpets and other high-quality bedroom furniture. And if youâ€™re looking to spruce up your living room, youâ€™ll also find a huge selection of comfortable, stylish sofas too.

See the wide range of luxurious Harrison beds â€“ and other quality furniture â€“ for yourself. Call into Smart Furnishings at Chapel Lane, Stockton Heath, Warrington, WA4 6LL. Or if youâ€™d like to browse their beds, sofas, carpets and rugs before you visit, head to www.smartfurnishings.co.uk.
