Celebrate Eid with Flowers from the Gulf by Steven Brown

Article published on July 18th 2012 | Shopping

Flowers from distant gulf are mesmerizing beauties of Mother Nature. All the emirates have their unique style of floral arrangement for festivals and other rituals. This is the age of online flowers. Just search with the phrase Eid flowers Abu dhabi and get plenty of options to celebrate the festival. Online flower stores in Abu Dhabi also offer gifts and rare orchids at great discounts for the major rituals of the citizens. Oriental flavor and a touch of the floral experts make your purchase a wonderful one. Special packages are available which allow you to gift different flowers on the occasion of Eid to friends and acquaintances. You can gift dry fruits, wild berry juices, sumptuous preparation of halloumi cheese, the finest rose water syrup and premium dates. It is evident that it will be gourmet opulence during holy Eid. The stores guide you in selecting the best flowers of the season. The blooms are specially decorated with colorful ribbons and handcrafted threads. Special care is taken to make this festival a grand one for all customers.

If you are celebrating Eid at home with your family and relatives then you can get in touch with the online flower stores to decorate your hose with flowers and petals. They have a dedicated team of executives who work day and night to enhance the festivity of your place. You will be asked to select the style of decor from their gallery. Most of the galleries comprise of images clicked on the occasion of Eid celebrated at homes of the previous clients of the store. You can draw inspirations from these or can go for a customized decor. Abu Dhabi florists operating online will visit your place and craft a nice floral plan for the festival. The rooms and corridors will get different floral treatment but the background might be uniform throughout the house. The place where your guests will dig into the sumptuous cuisine might be decorated with tulips or lilies. Similarly you can adorn your living rooms with gerberas and other exotic beauties. When you are ordering flowers online, you are saving time, enjoying discounts on bulk orders, pampering yourself with great facilities and more.

The testimonials of customers who have previously enjoyed the service of these online flower stores help you to understand a particular store better. Thus selection of the flowers will be done in a better way. Send flowers to Bahrain to your relatives on this holy festival and receive accolades. You are a busy person and cantâ€™ afford to remember the number of relatives who will come down to your place to celebrate the festival. Do not worry. Leave this to the flower stores. You just need to ask the customer service team to note down whereabouts of your relatives and those will be entered into a database. A few days before Eid, you will be notified by the store so that you can make your arrangements in a proper manner. You can make all your necessary purchase from these sores itself. Special floral coupons are often distributed once you buy some gorgeous flowers. These coupons are accumulated by the customers so that they can participate in a lucky draw. This draw initiates just a few weeks before Eid. On the day of the festival the store arranges for this draw and everything from home appliances to electronic gadgets can be won by the customers.
