If you have been invited to your best friendâ€™s hen party, t shirts may not be the first thing on your list of things to wear. You may want to look your best in a party wear. However, you will be surprised by the latest trends in hen night wear. Itâ€™s not designer fashion wear that women are crazy about. Custom printed or custom made hen party t shirts have now taken the concept of hen night by storm.

Women are no longer sensitive or shy about flaunting their sexuality, independence and greater financial freedom. The hen night t shirts are a perfect way to express who you are in an innate manner.

Hen Night T shirts â€“ Best Things about Them

Hen nights are all about letting your hair down and having some â€˜extremeâ€™ fun. If you have not been to a hen night before, just watch some of the You Tube videos and you will get a fair idea of what to expect. Itâ€™s going to blow your mind away with what can be pretty shocking if you are conservative to expanding your limits of imagination. Expect a night full of dancing, drinking and some risquÃ© entertainment.

Hen night t shirts are comfortable to wear, easy to clean and give you a feeling of being cool and relaxed. No more worries about spilled wine or a little sauce. Just get back home, throw the t shirt into the washing machine and it is as good as new the next day.

Hen Party T Shirts as a Gift

If you are planning to give away something for your own hen night party, get your girl friends over and surprise them with a nice custom printed party t shirt. The T shirt can talk about who you are or have a funny picture of you or may be something to remind your friends about your last night as a single PYT. Get them into the t shirt at the party and enjoy the bonhomie.

Stagâ€™s do not really fit well into a hen night, but if you are planning to invite any for the â€˜more than obviousâ€™ reasons, stag t shirts are a great idea. Print the t shirt with something funny. Shock your friends with some bold prints or images on the stag t shirts and you are set to rock the party and a wonderful hen night celebration.
