Article published on April 16th 2012 | Shopping

One of the most popular of all Indian festivals, Rakhi, is mostly celebrated in the month of August. If you are wondering when is Rakhi in 2012, it must be informed that this festival will be celebrated on 2nd August. The festival of rakhi celebrates the lovely relationship between brothers and sisters. On the day of the festival, sisters tie rakhi on the wrists of their brothers. While the sisters wish love and well being for their brothers, the brothers resolute to protect their sisters throughout their life.

Preparations for the festival begins much before the actual day of the celebration. Among other things, rakhis, also known as â€˜Holi threadâ€™, hold the most significant place during the celebration. Since the last decade, many young Indians have been travelling out of the country for higher education and also for job opportunities. It becomes difficult for them to attend all the festivals and occasions. For this reason a number of e-gifting portals have come into being which help the global Indians to celebrate the various festivals. SendrakhigiftstoIndia.com is one site which is entirely dedicated for rakhi celebration. If you are looking forward to celebrate Rakhi 2012 with your brother who lives outside the country, then you can count on our website.
