Engagement Rings for Your Spouse by Simong Paul

Article published on June 29th 2012 | Shopping

Do you know what is an engagement ring? It is basically an ornament for the finger that is worn after a person gets engaged for marriage. It is traditionally worn on the ring finger of the left hand. The custom of wearing it on the ring finger of the left hand is followed mainly in countries like North America, Ireland and United Kingdom. However, customs may vary from one country to the other and thus it is not always the fact that engagement rings are worn only the left hand ring fingers of women.

There is also one more thing that is traditionally followed by the people of North America, Ireland and United Kingdom when it comes to the ornament for the ring finger. It is only the women and not men who are to wear these ornaments as a sign of engagement. This custom is however followed in most parts of the world. But there are even some cultures where both the partners are seen wearing matching rings. Some cultures also use engagement rings as nuptials rings.

A man basically gifts this ornament as a betrothal present to his spouse while proposing her for marriage or after she acknowledges her marriage proposal. Conventionally, an engagement ring symbolizes a formal union to upcoming marriage. Most often it is the rings from Simon G brand that men prefer presenting their fiancÃ©e with.

Each of the rings from Simon G is beautifully crafted. It seems like each of the pieces is custom made for the person who is wearing it. In fact each and every single piece of ornament for the ring finger thatâ€™s crafted by this brand is unique. For an antique vintage design or classic style diamond wedding ring, 18K yellow gold or18K white gold and platinum are mostly preferred. These ornaments never lose its shine and are therefore considered to be lifetime gift from a man to his spouse. Revered from splendid antique style designs and popular for superlative diamonds set into dazzling 18K rose and two tone gold, Simon G diamond engagement rings are completely irresistible.

There is a wide selection of Simon G engagement rings available in the market. Some of the best collection includes Tri colored, multi colored, rose gold, designer rose gold, retro vintage, antique, filigree, and designer wedding rings. However, before buying any designs first find out which design or style your fiancÃ©e would prefer the most and then in accordance to her preference buy a suitable one for her.
