How to Make Everyday Feel Like Valentine Day by Dharmsingh

Article published on January 11th 2012 | Shopping

Valentine day is celebrated on February 14 every year all over the world. This day gives us the opportunity to show our love and care for our beloved ones. The day is traditionally celebrated by exchanging gifts and spending quality time in each otherâ€™s company.

Valentine day is celebrated as a birth anniversary of saint valentine. It is said that he was on prison and during his last days, he wrote a letter to a girl to whom he used to loved, with the last quotes â€œyour valentineâ€•, since then every February 14 is celebrated as a valentine day on his honor.

Today, valentine day is most popular among the lovers, but we canâ€™t say that it is confined to lovers only. This day is for all the people, who want to show his gratitude and care for some one to whom he care for. Chocolate cakes and flowers are the most common gifts. Since the day is often celebrated among lovers, so presenting the red roses could be appropriate and also help you in expressing your feeling lover for her.

The valentine day gives us the opportunity to show our love and care for our beloved ones, but this doesnâ€™t mean that you have to show your love on this occasion only. You can show and express your feeling every day, but on daily basis giving expensive gifts could be a bad idea. Someone says that action and words speaks more, I guess it is true. You donâ€™t have to give expensive gifts to show your love, you can express you love and care just by saying or by presenting proper and inexpensive gifts such as novel books by his or her favorite writer.

Sending text message doesnâ€™t cost much, but it can do wonders. You can send the messages with quotes saying that â€œI love youâ€•, yeah it is inexpensive but it does help you in expressing your feeling and love for her. On weekends you can reserve the tickets to your favorite show and enjoy the show in each otherâ€™s company, by doing this you get the time to spend with her and even make her feel special.

If, you both are not interested on watching movies, you can go on a long drive or a walk and enjoy each otherâ€™s company. Going to a park and enjoying some peaceful time, is not a bad idea.

If, you both like adventure, then go on a adventitious trips such as kayaking and river rafting on weekend. It not only give you an opportunity to do something extra unique and adventitious, but also gives you the opportunity to spent some time in each otherâ€™s company or you both can take a trip to the top of the mountain and enjoy the beauty of the scenery and environment in each otherâ€™s company.
