Lavie is a women bags brand with bags especially designed for the Gen Y young women in India who are multi facet, successful, independent and vivacious. The brand represents the dynamism of youth.

Lavie is a brand that is bold and free, for the young women who value their individuality and are high on life. It has an exciting collection of bags that compliments every mood of a woman. Its tagline says 'Handbags for the many you' which shows the brand understands that women are quite dynamic. Lavie has bags for every occasion. They have bags that can be classics in a women's wardrobe also they have the trendy ones such as pastels or neon to add style to her wardrobe.

It's a recently launched brand, emerged in the market about two years back and has still managed to become tremendously popular among the young women. The women find their collection hard to resist with designs of latest trends, amazing colours, an unmatched quality and an affordable price. The women find the Lavie bags durable too. Here is the list of various categories of bags at Lavie.

1. Totes-Tote bags are medium to large size; very spacious designed to carry a lot of stuff. They are also known as 'carry all'.
2. Box bags-Box bags are small compact handheld bags to carry less things ideal for the evenings and casual hangouts.
3. Satchels-Satchels have large shoulder straps and lots of pockets and compartments for better organization.
4. Hobo-Hobo bags are specially designed for the busy working women; these have one shoulder strap, are crescent shaped and have modern designs. They slouch or dip in the centre.
5. Laptop bags-Lavie has come up with trendy laptop bags designed for women with bright colours, stylish designs and funky patterns who want a break from the boring laptop bags.
6. Shopper bag-Shopper bags are the ones easy to carry on a shopping trip mostly having a rectangular shape.
7. Boat bag-Boat bags are probably named on their shape which resembles a boat.
8. Bowling bags-Bowling bag's is a popular 1990s "retro" style for younger women inspired from the American bowling bags to carry bowling balls.
9. Clutch-Clutch bags are cute bags without handles, to carry for parties usually an evening bag mostly rectangular in shape.

The list above shows that Lavie has a great range of bags whether is it's a sophisticated office bag or trendy evening bag or a casual one to carry everywhere; it's true they have all. And surely one or more of the above types of the gorgeous bags will definitely suit the needs of the young women. Lavie bags are available on select retail outlets and online retail websites.
