One of the most interesting Sport Chalet locations in California is the one located in the La Canada Flintridge Town Center. If you are a sport enthusiast, this store is for you. The highest quality performance gear for dozens of sports can be found here, but it doesnâ€™t end there. Questions are answered by extremely knowledgeable professionals who understand the importance of being properly outfitted for your sport. You want to enjoy yourself and perform to the best of your ability and the Town Center Sport Chalet has the gear to outfit you.

Whether your passion is basketball, paintball, running, or soccer, any Sport Chalet location can offer you the best technical and professional sports gear and expert advice for these and many more sports. Outdoor land and water sports are equally represented, and there are even some indoor sports like racquetball or personal fitness for which the store can assist in requests. The full service store has over 50 services to offer the avid and amateur athlete. Do you need just the right shoe? How about some hydration equipment for hiking or some specialty camping equipment so you can be as close to the venue for your sport as possible? Have you always wanted a badminton set the family can enjoy? The Sport Chalet can help you in all of these areas. They even have games and toys popular for all ages and all sorts of outdoor play.

Sport Chalet now also has paired with Sierra Mountain Guides to provide exclusive guided adventure tours designed only for Sport Chalet. Since they know the ins and outs of these planned adventure, it can be assured that every tool and piece of equipment you may need will be at your disposal in the store and our experts can answer and anticipate your questions. Without a doubt, the La Canada Flintridge Town Center Sport Center is the Mecca for any sports lover.

In addition to being a prime Sport Chalet location, the La Canada Flintridge Town Center boasts other specialty and interesting retailers to provide an excellent shopping center for the surrounding communities. For example, a Homegoods store offers unique seasonal items, as well as other items at a refreshing discount price. An At&T store allows current and potential customers to browse products and have questions answered by personnel. The La Canada jewelry and gifts is a great place to find gorgeous jewelry at reasonable prices, since the middle-man has been cut out with manufacturing taking place by the very company which sells it. One of the best party places around can be found right here in the Town Center, as well. The Caterpillar kids place is a brightly lit, well-cared for indoor playground which is available for rent and also offers the play land and various classes for kids who like to be on the move! Kids love it and so do their parents! Whether you come to the La Canada Town Center for a few hours or a day of retail therapy, there is something here for the Sport Chalet enthusiasts and everyone else in the family.
