Your boy is going to turn 21 the next month and you have no idea what could be the best gift for him. 21 is a special age for a boy who is yet to step into manhood. So its time you have some great gifts in mind for your dear son. Take a look at these amazing 21st birthday gifts till you find the perfect one:

Travel Clock (Personalised): This is an ideal gift for a young man who is getting set for a journey to a life full of happiness and challenges. The shiny metal clock is essential when he travels across the world. It is usually enfolded inside a metal case. You can add a message here.

Pewter Flask (Personalised): 21st birthday gifts turn on a new meaning when you gift your son a pewter flask. Well its time you legally offer him the right to drink. The gorgeous pewter flask is basically designed for the young man who can carry it in his hip pocket.

Well thatâ€™s all for your young boy who is going to step into adulthood; now here are some great gifts for hubbies turning 30 years of age. It feels great to bring upon a smile to the face that longed for your love. A special gift for your husband on his 30th birthday turns him on like fire. Raise a toast to your manâ€™s birthday and shower him with 30th birthday gifts he will cherish forever:

Wine Glass for 30th Birthday (personalised): This elegantly designed wine glass will remind him, the first time he slipped those words of love from his mouth just to express his feelings for his lady love, at a candle-lit dinner where both of you were served with plush red wine. This wine glass is a big one and promises to accommodate an entire bottle of it. Get a happy birthday message embossed on this wine flute.

Cuff-Links for your Man (personalised): Gift your man a pair of cuff links to add class to his wardrobe. The cuff-links have little stars engraved on them with the words, â€œhappy Birthdayâ€•. The stainless steel pair makes great 30th birthday gifts.

Blue Happy birthday Mug (personalised): This ceramic mug in white and blue is perfect to gift the man who is yet to turn 30 years of age. The top of the mug bears the message happy birthday while at the bottom the name of the recipient is given. You can even add the birth date. The mug comes with a pen to write messages on the mug and then, heat the messages for around 30 minutes till they turn permanent.
