No matter how much is said on the contrary, man is always known for what he wears. The first impression and appearance is always the major evaluating factor that determines what man is. In impression or appearance, clothing is of imperative importance as it purely reflects manâ€™s personality. Ones clothing either project good or bad reflection to other people. Improper or low level clothing directly impacts oneâ€™s personality, no matter how handsome the person is. It is a real embarrassment for men when they adopt attire that reflects a pathetic look, while in business meeting, wedding, party or an interview.

To avoid all kinds of embarrassments, men have started to opt for high quality custom-made shirts that reflect perfect impression on others. Men, who have been wearing custom shirts and know its qualities, never turn to readymade shirts. Now these days it has become trend in men to buy custom made dress shirts. Have you ever wondered that why they choose custom dress shirts? Well, the simple reason is that men love the freedom that custom shirts offer; they can choose the fabric, color, style, pattern and fitting of their choice, which is not offered by readymade shirts.

Men of today are unconventional and take equal care of their wardrobe, dressing and styles like women do. For business wear, they try their best to look best and apart from crowd; to do so, they opt different styles of custom dress shirts. Mens custom made dress shirt trends of 2012 are contrast collar dress shirts, slim-fit spread collar dress shirts and French cuff dress shirts.

## Contrast Collar Custom Shirts

As said earlier, that men of today look for style and fashion breaking conventional norms. One of the famous style and trend of these days is contrast collar dress shirts. Men now no more look for a simple shirt with starch, plain dress pant and simple black shoes. They look for trendy official ware that makes them stand out of the crowd. Choosing contrast collar shirt gives men the attention that they need. In contrast collar shirts the body of shirt is of one color while the collar is of other color. Sometimes cuffs are also of collarâ€™s color. These days, shirts with blue or light pink color looks great with white collar and cuffs, accompanied with grey, black or navy colored suits.  Do not get afraid from stripes or patterns as they are also in fashion this year.

## Slim-fit spread collar stripped dress shirt

As the trend in menâ€™s fashion and style is going versatile, having a slim fit shirt in light color with spread collars and stripes will give the exact killer looks that you have been yearning for. This kind of shirt can be accompanied with nice looking dress pant, black or brown polished leather and a cool strap wristwatch. This attire can be opt for official ware and business meetings. For the same shirt, if you want to make it a little more trendy for weddings and parties, opt for dark trousers of jeans style, trench coat if its winter, and dull leather boots. The shirt in light color while having stripes and pattern can almost match with any combination in your wardrobe.

## French cuff dress shirts

French cuff custom dress shirts are those shirts which have particular style in cuffs. French cuffs also have some styles such as round French cuffs, square French cuffs, angled French cuffs and cut-away French cuffs. It depends on the choice of wearer that whatever French cuff he chooses. French cuff shirts have double cuff fabric that is folded back on the top. This style have double layer of cuff and fabric thickness makes it impossible to close the cuff with buttons. Due to this reason,

French cuffs have no buttons; instead, cuff links are used in it. Currently French cuff custom dress shirts have different customizations in its collars and fitting. Its attraction among men is also gaining immensely, making it one of the most famous and worn design.
