One Wonderful Perfume You Must Have - Escada Magnetism for Women by [Perfum Axy](#)

Article published on December 23rd 2011 | [Shopping](#)

Of all the many varieties of perfumes brought out by the fragrance giant Escada, the Escada Magnetism for Women stands the test of time. It was released in 2003 but the fame and popularity stands to this day. Now, that itself proves how well-received the perfume is. To those of you who haven't yet tried the perfume, we think you ought to try out this simple, elegant, soft and silently awesome fragrance.

Go For Simple and Pleasant Perfumes

Perfumes are one of the best charms of a person. The kind of perfume one wears is quite instrumental in determining the charm, the attractiveness and the magnetism. We are often advised to wear thin, simple and pleasant fragrances but the companies themselves bring out a lot of heavy, too spicy and high-level scents of varied fragrances. Some of them are often so artificial too.

Wearing a pleasant perfume is quite advantageous and adds to your beauty and charm. The most important thing about wearing a perfume is, it adds quite a lot of attractiveness to you. Women already have this magnetism around them, and good fragrances increment this charming quality. By good fragrances, we mean those like the Escada Magnetism for Women.

Why Escada Magnetism?

Oh yes, we are asked this quite a lot of times. Why Escada Magnetism? There are, indeed, several thousands of other fragrances and perfumes but Escada Magnetism stands in the top-ranking few. The first reason, quite obviously, is the pleasantness associated with the fragrance. Unlike most other perfumes, there is an air of pleasant, autumnal and magnetic fragrance which instantly attracts.

Escada Magnetism, as said before, was released quite a long time back. Mostly, it can be used for the casual walk, the stroll, the shopping you go and such casual activities. It is very pleasant and soft and does not present itself conspicuously. There is a total subtlety with the Escada Magnetism, but even then, the scent is detectable and quite attractive too.

A lot of people choose to wear this perfume in the fall or winter. Being a subtle scent, the Escada Magnetism works excellently on women "giving a slightly heady but intensely magnetic appeal. A lot of flavors come tagged with the Escada Magnetism for women. The top notes in the perfume include, black currant, melon, pineapple, while other flavors included are magnolia, orris, basil, jasmine, patchouli, musk, amber, sandalwood, caraway, caramel etc. These days, it is quite easy to obtain the perfume out of online web stores that ship it in a day or two to you.
