A popular sport, Rugby is basically played in United Kingdom where it is considered as a passion among the youth. The game is so popular that it also reflects a style statement for the people playing as well as following it. Today, containing different sport wear and a wide range of sports accessories, the market offers a wide range of Rugby kits. Not only very fashionable but also very comfortable, the Rugby kits are offered by different companies. Suitable for all seasons, clothes are contained in rugby kit that is appropriate. Different branded companies design and offer Rugby kits of best quality. Some popular sport stuff that in a Rugby kit should be an important part â€“

1) Rugby Ball- Ball that is used in Rugby matches are oval in shape and is one of the most important part of the rugby kit. Gilbertâ€™s Rugby World Cup Ball, South Africa supporterâ€™s ball, Engla juggling balls, etc are the balls that are basically preferred and liked by Rugby lovers.

2) Rugby Boots â€“ In Rugby kits, Rugby boots are also an important part and are available in a huge spectrum of choices. In these boots, the most important feature expected is that they should have a very strong grip. Another feature that is important in Rugby boots is that they also offer proper support and comfort to the feet.

3) Rugby Socks- Socks offer grip in the shoes and also are good absorbents. Since, while playing, players are bound to sweat, the Rugby socks should offer comfort and must be soft to feel. These socks must be such that there is no discomfort or any problem while players are running on the ground at a full speed. Beach socks, Neon Flamingo, stars in your eyes, Raspberry ripple, hoop socks and watermelon socks etc are some common Rugby socks that are used commonly by Rugby players. Rugby teams can go for customized socks in the colors of their team colors. Such customizing of colors in team shades is a common practice.

4) T shirts and Polos- With bright and sporty colors, market is full of T shirts in light fabric and is also very comfortable to wear besides offering style. Ireland Rugby Workout T-shirt, Muster Training Jersey, All Black Graphic T-shirt, Adidas rugby culture short sleeve T- shirt, Puma V.10 Speed Graphic T- shirt and Under Armour catalyst T-shirt are some of the very popular Rugby T-shirts. They are not only available in a variety of colors in the market but can also be customized in team colors. Also popular in different colors, hoodies are also available.

5) Base layers- A player is bound to sweat a lot while running and playing on the field. The sweat makes it highly uncomfortable to play for a long time. In such scenario, the players can wear base layers that make the player feel very comfortable and cozy.

6) Protection Accessories- Chances of injury are very high since Rugby is a full contact sport. Therefore selection should be made for appropriate accessories for protection so any case of injury must be avoided. Mitts, mouth guards, head guard, shin pads, caps and five pad chest protection top etc are available.

All these accessories are very essential in the game of Rugby.
