Russian Gifts for Children - Make Them Very Happy by Elijaliam

Article published on August 21st 2012 | Shopping

If you are intending to take your child to Russia for the forthcoming vacation, as an initial step you can bring Russia to your child. He/she can be introduced to the culture of the nation with the most famous toys and literature specially pertaining to the nation. Once he/she learns some cultural information about the nation; you can take them to the nation. Here are some of the toys that can introduce Russian for kids:

Speaking doll of Russia (Cheburakshka): This would be wonderful gift and this doll is based on a character of Russian literature. It is a furry little creature's toy and this creature is known to live in the tropical forest. It resembles a mouse and it is offered in different colors like beautiful blue, gorgeous green, charming orange, etc... and it is being sold in some of the best online stores dealing with international toys. So, you get the color that impresses her/him a lot as an introduction to the culture of Russia.

Books pertaining to Buratino: Buratino is a Russian character that is based on Pinocchio and to introduce this character to your child, you can purchase story books or DVDs that can introduce him/her with a wide range of characters in Pinnocchio.

Nesting doll: When it comes to Russian gifts, nesting dolls can never be eliminated from the list. These dolls are also popularly called as Matryoshka or Babushka and it is a set of four to five dolls from small to bigger sized, where the smaller size dolls can be placed inside the size next to it. These dolls can either be introduced to your kid in the form of physical dolls or you can also purchase some books or DVDs featuring them so that they can get to know the culture of the nation to some extent.

Kolobok: This is a classic folktale from the children's literature of Russia and it is nothing, but a story about a grandmother baking a kolobok or little bun. With this one liner as base there are many story books under this category and this book is being offered by some of the best online stores belonging to Russia in other languages as well in such a way that children of other nations can also get to know about this tale.

So, if you are interested in introducing Russian for kids of your school or for your own child, you can get the Russian toys and books from a reliable online store and can make them happy.
