This year it will be your daughterâ€™s eighteenth birthday and you want to give her the best you can. 18th birthdays signify stepping into adulthood for a young lady. She is your world; remember the days when you held her tight in your arms when she was a baby? Over the years this little bundle of joy grew into a beautiful lady supporting you in every step you take. Papaâ€™s little girl has given him joy of every kind since she stepped into this world. She is going to turn 18 this month. So what have you planned for her? Some great 18th birthday gifts await your daughter. Check them out:

Hand Painted Black Champagne Flute: This elegant black champagne glass is perfect to celebrate adulthood. The hand made champagne flute displays a stylish black color with pink glittery stars. The words Birthday girl is uniquely printed in glittery pink. The glass comes enclosed in a satin box.

Necklace with heart pendant in a silver box: 18th birthday gifts turn on a special meaning when you gift your princess a charming necklace with an elegant heart pendant. All in sterling silver this necklace is enclosed in a unique silver box that has four lovely butterflies engraved on the lid. The butterflies surround the words â€œHappy Birthdayâ€•.

Well thatâ€™s when your daughter turns 18 years of age, what are you planning for your son on his 21st birthday? When you look back at time you realize how time flew so abruptly; both your daughter and son are ready to step into an age, which will mark their adulthood. So, here is what you have in bag as 21st birthday gifts for your son. Check them out:

Cuff links (Personalised): Gift him this special pair of cuff-links in stainless steel. Do you know this exotic pair has small stars engraved on it? The words â€œHappy Birthdayâ€• come complimentary with it.

Miniature Crystal Champagne Set: The entire box consists of a miniature crystal champagne flute; ideal for a son who is going to turn 21 this year. He will be officially given the right to taste alcohol from now. You can get a special message embossed on the glass.

White and blue Mug (personalised): This ceramic mug is best suited for 21st birthday gifts. You have space to add your sonâ€™s name at the bottom. The top of the mug is where you have the message â€œHappy Birthdayâ€• imprinted.
