The Amazing Trunki Suitcases Travelling Friend for Kids by [Julia Roger](#)

Article published on July 24th 2012 | [Shopping](#)

Trunki suitcases are lightweight suitcases with wheels. They are mainly manufactured keeping the children's need in mind. They are not only easy to carry, but can also be used as a toy vehicle on which kids can easily ride. It's really a funny kind of stuff that can be easily pulled by the kids themselves without facing any difficulty. Each and every trunki cases are available in unique design and style. This allows the kids to develop too much interest and love for these utility travel cases.

Trunki are best carry-on cases to keep toddlers busy while parents are engaged in some important work. They are small and compact in design. During the travelling days, there needs to be additional arrangement for the kids. They need extra clothes, diapers, blankets, lots of toys, baby food snacks, etc. All these items can fit easily into a trunki suitcases. There will also be additional space available to fit some extra stuff required for travelling.

Have a look at the positive traits of these suitcases:

Manufactured from hard and durable plastic that is lightweight in nature. As a result, suitcase is also quite lightweight which allows kids to pull them easily without any problem. Average weight of these cases is around 3.8 pounds.

Presence of straps allows the toddlers to pull these cases easily. These are adjustable strap which the parents can be use to carry them around their shoulder if required. Parents can also adjust the strap accordingly for easy pulling of the case, while the kid sits in saddle.

Edges are filled with rubber padding. As a result, they are extremely soft and safe for children. They will never get hurt if bumped suddenly.

They can be used as toys. The child can easily sit in saddle and holds on the handle for a funny ride around the corner. It is extremely entertaining for kids in boring places like airport or railway stations.

Travelling with a child can be quite exhausting and problematic. But, when there is a personal suitcase for the kid that can also carry them, travelling becomes easier and comfortable along with a lot of fun.
