The fashion industry has seen many new discoveries and developments. The world of fashion is not just limited to clothes and couture, it is much more. From ear rings, to flamboyant hats and neck pieces to extra high heels, everything has added a new dimension to fashion and the way people dress up. There is one accessory that canâ€™t be missed, the sunglasses. Most of us would not leave our house without our latest pair of sunglasses. They serve a dual function of saving your eyes and making the wearer look beautiful and well dressed.

To give you the extra oomph and comfort for the eyes, Jim Maui sunglasses are making the extra effort. We are making eye wear for fashionable, comfortable and colourful as well. Our glasses would serve all your needs and respect all your choices, be it any kind. We offer the sunglasses at very affordable prices. Luxury is now very much within your reach. No longer do you have to forgo your favourite design because it is expensive or beyond your reach. All you have to do is walk in to the nearest store and check for yourself or just check in on our website for the latest designs.

While, we offer you eye wear at affordable prices, we also ensure that quality is never compromised. Making and providing you, the customer, with the quality eye product is of vital importance to us. Eye wear we make ensures that there is no fragment of error with our glasses, since it directly affect one of your sensory organs. Eye wear, especially glasses should not be numbered at all. We go to great lengths to ensure that we deliver sunglasses with zero error. Quality and consistency is the key to our success and growth in the world of sunglasses.

At Jim Maui sunglasses, it is our constant endeavour to serve each customer according to his needs and requirements. Our vision is to ensure that we make sunglasses with the best technology. We have UV-Ray blocking polarised lenses that enhance colour as well when you wear the sunglasses. We offer a variety of sunglasses categorised but not limited to:

* Frame Style: what kind of frame is customer looking for, could be metal frame, nylon frame, metal and nylon

* Lens Colour: Customers have the option of choosing any specific color of lens they would like to go for.

* Lens Material: we offer choice of Maui evolution, polycarbonate, or super thin glass with the best quality

* Facial Features: we offer you a choice of sunglasses based on your facial features that would suit your face and add to the confidence level any given day of the week.

* Activity: we also offer you specific sunglasses designed for special activities keeping in mind the needs of the activity. E.g. beach wear, biking, boating, fishing, driving, golf, tennis and hiking etc.
