The Quality That You Would Come to Expect from the Baby Nest by [Lenie Smith](#)

Article published on April 27th 2012 | [Shopping](#)

Here at Baby Nest, you can find a large stock of baby equipment from some of the most popular brands such as Mamas & Papas, Silver Cross, Britax, Bugaboo, Phil & Ted as well as Kidsmill and more. Aside from that, they are also the main stockists of nursery furniture, car sets, prams and lots more. If prefer to buy through online, then you can actually visit them through their website or just even come and visit their store in Croydon, Surrey with an easy parking, friendly and knowledgeable staff as well as fast delivery for any items that could hardly fit in your car.

The fabulously versatile Bugaboo Cameleon Stroller adapts to its environment just to give you the easiest and the smoothest time in having a stroller. The other cameleon-type aspect of the Bugaboo is that, it is the choice of your own colour combinations, there are actually 108 of them so you can have a Cameleon stroller that's quite unique. Other than that, it has also the quality that you would come to expect because of its added benefit of customization, that allow the pushchair to adapt in order to suit your child through his or her earliest years, which is ideal for baby or toddler.

For your little one's comfort, Bugaboo has actually various canopies and foot muffs for the stroller, which are available in a great selection of stunning colours. On the other hand, the Babystyle Oyster pushchair is also is very much affordable and a practical stroller in order to transport your baby. Lightweight and compact, it is full of fantastic features that will surely make life much easier for the parents because of that fact that, it has a reversible set unit so that your baby can face away or towards you, whatever you prefer will do. This type of pushchair is also compatible with the Maxi Cosi Cabriofix as well as Pebble car seats, which is also a great bonus.

Moreover, the Bugaboo Donkey is the most exciting new pushchair which will really serve as an investment for the parents because of the reason that, it converts from a single to a double and then back again, seamlessly. It is also a great innovation on the part of the parents who are planning for 2 or more children, even if the gap between them will be 3 years, you can still have a pushchair set-up on one side, and then on the other side is a carrycot, or even a compatible car seat. Here at Baby Nest, you can find only the best for your child.
