A woman's wardrobe consists of so many elements; clothes, shoes, purses, handbags, belts, jewelry, perfumes, cosmetics and whole lot of fashion accessories. Every woman wants to look good and stay in tune with current styles and fashion. Of all the accessories, handbags are the most important accessories that complete a woman's style of dressing. They are perfect for storing your cash, mobile phone, basic makeup essentials and several other items you may need for the day. Not all bags can match all kinds of outfits or occasions. Therefore, ideally you should choose to invest in a couple of designer wholesale handbags to match with most of your outfits. Some of the best online companies are offering free shipping wholesale bags when you shop at their online store. You can either buy them to add to your own collection of handbags or stock up your retail business collection and earn good profits.

How to Shop For Handbags?

- Determine your purpose of using a bag.
- Think of the several occasions or events that you frequently attend.
- Categorize your purchases such as evening bags, work bags, party clutch, etc.
- Set aside a budget for buying different types of designer wholesale handbags.
- Decide on the colors you would prefer. Neutral colors such as beige, black or navy are good office choices. Bright colors are suitable for parties and casual outings.
- Choose the sizes depending upon how much space you will need to accommodate all the essential items you generally carry in your purse.
- Choose different alternative materials rather than just sticking to the traditional leather.
- Take a look at your wardrobe and see which colors and style of bag will match with most of your outfits.
- Pick up bags that need low maintenance.
- If your idea is to use bags for short period only till the style is in vogue, then opt for cheap wholesale handbags.

Selecting Bags According To Body Type:

- Thin and tall: avoid shoulder bag with short straps, instead buy hobo bags that are slouchy shape and wide. Clutches are also a good option if you are thin and tall.
- Short and stout: avoid small Designer Wholesale Handbags, instead choose large, box like structured bags to even out your curves. Keep away from tiny patterns if you are buying printed bags.
- Petite: oversized bags are a complete No! No! as they tend to overwhelm your size. Bags with long straps can weigh you down, making you look all the more short. Therefore, pick up something in the

small or midsize range.

How To Buy Bags Online?

Many women pick up bags without a second thought, either because it is visually appealing or it is the latest fashion trend. Such decisions can prove to be disastrous to your overall appearance. Therefore, it is very important to buy cheap wholesale handbags according to your body type. When online companies offer great deals on bags, it is the best time to save money and make the most of the offer. However, just because a company is offering free shipping wholesale handbags doesn't mean that you buy whatever is available. Make your choices carefully by using the above tips
