If you are short of time and donâ€™t have a clue about the right gift to buy, a gift basket that includes the best food makes the best choice. Needless to say, your choice of items that are to be included would depend on the occasion, and the recipient. For instance, if the recipient is a diabetic, chocolate and cookies should be avoided. Hereâ€™s a list of the different choices for gourmet food baskets:

Popcorn Tins and Gift Boxes:

Are you looking to reward your sales team with tickets to the latest movie? Why donâ€™t you add this cute little gift box along with the tickets? The popcorns are packed in adorable tin boxes and contain different flavors of popcorn. You can even personalize it with writing a small message or company logo. Besides popcorn, you can also stuff the box with pretzels, and flavored pretzels.

If the answer is in the affirmative, choose from a vast array of gourmet sea foods that include Maine lobster tails, crab cakes, clam chowder, lobster shears, littleneck clams, Beluga caviar, scallops, mussels, calamari, oysters, and fresh game fish including Albacore tuna and yellow fin tuna. These can be grilled, barbecued, broiled, fried, baked, smoked or even boiled, and if a fan of sushi, these fish can be eaten raw.

Steak Gift Baskets:

Filet mignon steaks, boneless ribeye steaks, strip steaks, wagyu steaks, sausages, chirozo, dry and aged prime bone are some of the different kinds of cured meat that are commonly found in these gift baskets.

Gift Baskets with Wine:

These gifts are a wonderful gift for anniversaries and other such similar occasions. A typical gift basket would include Kalamata olive cheese wedge, dark chocolate, salted pistachios, crackers, premium wines including Staccato Malbec, Cabernet Blend, Classic Chardonnay, or any other wine of your choice. You can also personalize these with wine bags and wine chillers that can be personalized with a message or logo. In fact, these wine baskets are a common choice as corporate gift baskets for festive occasions.

Corporate gift baskets:

Food gift baskets have become a popular choice for corporate companies. They use these gift baskets to include promotional items by either gifting the item or including images, logos and other paraphernalia. For those who would love to keep it simple, chocolate gift boxes printed with the logo are very popular.
