Article published on April 4th 2012 | [Shopping](#)

Trot2 is very much proud to present the Pikeur range of an elegant equestrian clothing tailored for women on or off the field. This clothing line can also be seen in the International competition circuit, which was renowned by the professional horse riders. Diana Riding Jacket has an attractive cut and styling among the collection of Pikeur jackets. The range of their clothing line consolidated with the traditional and up to the minute styles demanded by the modern equestrian. Other than that, among those fashion-conscious youngsters, Lilly fleece hoody is the most popular of all mainly because for some important reasons.

The Ariat Volant Collection is where you can find an ultimate performance technology that truly meets innovative and cutting edge design. The Ariat Volant Front Zips riding boot has been made with the use of the premium leathers as well as advanced materials and construction in order to bring riders a boot that will ensure peak performance. Symbolizing this really need to make the best riding boots, and Mountain Horse has just released the Supreme High Rider Boot. It is a type of boot that is classic, elegance and comfortable, which are the key elements when creating handsome boots like this one.

Other than that, the fully protected as well as leather covered, YKK Vision Zips also adds to the safeguards and convenience of the boots from wear. The Hunter Carnaby Boa Wellies is also said to be a high fashion addition to the hunter Welly range after the success of their items Jimmy Choo and Hunter collaboration welly. This one is equally attractive while shopping, or even at a relax luncheon with friends and or just pottering around at home. The Carnaby is also an excellent contender for the most wanted and the stylish boot this year, wherein it has a rubber boa mock snake skin appearance.

Moreover, Dubarry is a name that is popular in terms of creating some highly desirable equestrian clothing because of the fact that, its stylish design as well as modern technologies work hand in hand in order to make a series of smart products have been used just for you. Among their great collections of horse riding and accessories, the most impressive Dubarry Carlow boots really stand out from the rest. Nevertheless, shop at Trot2 now if you want to find the best accessories for horse-riding that you wanted to have because they have everything for the enthusiast and for the professional as well.
